Dear Michele Haun,

On behalf of the Staff at the Department of Children and Families Worcester East Area Office we would like to personally thank you and the Partners Club of Harvard Business School for your extremely generous donation of Baby/Infant supplies. With this donation we will be able to provide the infant clothing, high chair and baby seat to several families and their children served by our agency. Our Area Office provides services to hundreds of families and over 1250 children.

This donation will provide these needy Families and their Children with baby/infant items that they would be unable to afford.

Once again, we want to thank you and the Partners Club of Harvard Business School for your support to our agency and the families and children we serve.

Sincerely,

David A. Morin
